EU Compliance Courses

Streamline Compliance Training Across Europe

Oue EU Compliance content delivers guidance and scenarios that cover core EU directives, ensuring every employee receives the same standardised training.

The package in a nutshell:

- **40+ courses**, including in-depth and microlearning modules
- Built for single and multi-territory organisations
- **Courses available in English, French, German, Dutch**
- **Customisable** for your business needs
- **Available via the Skillcast LMS or your own system**

Made for:

L&D, HR & Training

Deliver a standardised EU-wide training programme with roleor region-based learning in employees' preferred languages, using centralised tracking to monitor progress and maintain full visibility.

Compliance & Legal

Cut regulatory risk without adding complexity and keep your workforce consistently compliant across the EU.

How the EU Compliance courses delivers measurable value to your business

Establish one unified compliance standard across your EU operations

By aligning teams around a common set of compliance expectations, you reduce confusion, close knowledge gaps, and protect your organisation from inconsistent practices that can lead to costly breaches.

Remove complexity and improve compliance efficiency.

A unified, scalable solution reduces fragmentation, improves efficiency, and enables you to manage EU compliance as one coordinated strategy.

Encourage engagement and reduce internal workload

With ready-to-deploy multilingual training, you save time, control costs and free up internal resources while empowering employees to learn in their preferred language, increasing engagement, understanding and completion rates.

Strengthen your first line of defence

Practical, focused training helps employees to make compliant decisions in real-world situations.

Gain full oversight and accountability

Centralised tracking, automated reminders, and audit-ready reporting give you confidence that every employee is trained and proof of completion when regulators ask.understanding and completion rates.

Scale with confidence

Deliver immediate, standardised compliance training in your EU locations, ensuring staff understand their responsibilities and removing silos that prevent growth.

EU Course List

The Skillcast EU Compliance courses simplifies your staff compliance with ready-made e-learning courses on key regulatory topics in the European Union. With regularly updated courses to choose from, you can assign the required training annually and at the right level, including in-depth e-learning for deep understanding or microlearning to raise awareness.

About us

We help companies foster compliance awareness and encourage their employees to act with integrity. Our offering includes bespoke e-learning content development, a comprehensive package of ready-made courses, and a digital platform purpose-built for compliance training. More than 1,500 companies rely on our digital products each year to deliver millions of learning interventions.

Our SaaS portal streamlines GRC management by integrating learning content, activity tracking, policy management, and compliance submissions. By developing all technology and content in-house, we deliver tailored solutions that empower firms to simplify staff compliance, meet regulatory requirements efficiently, and minimise risk. Clients benefit from both custom e-learning and our extensive course libraries, using our platform to support their compliance training needs year after year

"Everybody at Skillcast works towards a common goal: to give businesses exactly what they need to succeed in compliance management. With our technology and expertise, we help to build ethical and resilient workplaces and play a key role in creating a more compliant business landscape."
